* This table reflects the new Title V annual fee increases effective January 1, 2009 pursuant to 15A NCAC 2Q.0200 rules. The first invoice billing for the increased fees will be in February 2009 for all Title V facilities with an anniversary date beginning in January 2009. Because of the fee increase, there is no Consumer Price Index (CPI) increase this year.

**** Please contact the Raleigh Central Office, Air Permits Section for fee amount. New is defined as a previously un-permitted (Air Permit) facility.**
